

## EXC03. DALÍ MUSEUM & GIRONA (9H – TRIP OUT OF BARCELONA)

"Je suis le surrealism" ("I am the surrealism") – Dalí said.

Let me tell you that this is **the most unusual museum I have ever seen**. Forget the concept of a museum as an exhibition of pictures. **Dali wanted to surprise who visits his theater-museum** and I can tell you that a lot of people confessed to me: "**it's the first museum that has surprised me**"

Being inside it is like **being inside his mind**. He liked **things with double effects**: making people see one thing that hides another fact. My aim is to show you this **hidden reality**. It is impossible to be indifferent after visiting this museum of Figueres.

We will have **lunch** at **Girona**, where history and legend come together.

In Girona we will visit the **old Jewish synagogue** with the recent discovered **Mikveh**, inheritance from the large Jewish Community that settled here; **the Girona Cathedral**, with **the biggest Gothic nave in the world**; and the **Arab Baths** to see how people lived in the Middle Ages. We will also walk along the **Rambla of Girona** and the **Archeological Garden**.
