

EXC04. COSTA BRAVA – COAST FOOTPATH (9H OUT OF TOWN)

These **footpaths were unified after the Spanish War to control the coast and to stop smuggling**. The paths go along **beaches and cliffs in part of the water**. Following them permits us to enjoy the **views of the Costa Brava** and to step on the small bays that we will discover on our way (the path has been adapted and it is **easy to do** – 30 minutes).

Following it we will arrive to **Calella de Palafrugell**, one of the nicest **old fisherman village of the Catalane Coast**. Famous for the **Habanera Festival** celebrated here every year.

Our next step is to go up by car to reach the **Sant Sebastià Lighthouse** (on a cliff 555 feet over the sea level). The **sanctuary** and the **watchtower** allow **magnificent views over the coast**.

After lunch, we will visit **Begur**, to see the **houses of the Indianos (wealthy returned emigrants)** and we will learn their story. On the top of Begur is **the Castle to make out the Illes Medes**.
